

31 August 2023

NOTICE TO RELEVANT STAKEHOLDERS

Dear Sir/Ma'am:

This refers to the draft regulations distributed through the World Trade Organization – Technical Barriers to Trade (WTO-TBT) website (www.epingalert.org) from 19 to 25 August 2023.

Relative thereto, we respectfully invite stakeholders to comment on the notified draft technical regulation from United States:

Document Symbol	Notifying Member	Relevant Dates	Products Covered	Summary
G/TBT/N/USA/1503/Add.2	United States	<p>Date of Distribution: 21 August 2023</p> <p>Deadline for Comments: 02 October 2023</p>	Interior parts and components fire protection for transport category airplanes - Addendum	Supplemental notice of proposed rulemaking - In Notice 19–09, published on 3 July 2019 (notified as G/TBT/N/USA/1503), the Federal Aviation Administration (FAA) proposed to amend certain regulations for fire protection of interior compartments on transport category airplanes. Based on certain comments received, the FAA is providing additional information on its proposed elimination of a smoke emissions testing requirement. The FAA is also changing its calculations related to the proposed rule's costs and benefits. This notice offers interested persons an opportunity to comment on these changes.

To access the notification form, right click the document symbol to open the hyperlink. Should you have any queries on this matter or request for full text of draft regulation in English, please do not hesitate to email us at BPS@dti.gov.ph copy bps.smd@dti.gov.ph.

Thank you.

Sincerely,

NEIL P. CATAJAY
Director
