NOTICE TO RELEVANT STAKEHOLDERS

Dear Sir/Ma'am:

This refers to the draft regulations distributed through the World Trade Organization – Technical Barriers to Trade (WTO-TBT) website (www.epingalert.org) from 06 to 12 January 2024.

Relative thereto, we respectfully invite stakeholders to comment on the notified draft technical regulation from United States:

Document Symbol	Notifying Member	Relevant Dates	Products Covered	Summary
G/TBT/N/US/2085	United States	Date of Distribution: 08 January 2024 Deadline for Comments: 05 March 2024	Impaired driving prevention technology	Advance notice of proposed rulemaking - This document initiates rulemaking that would gather the information necessary to develop performance requirements and require that new passenger motor vehicles be equipped with advanced drunk and impaired driving prevention technology through a new Federal Motor Vehicle Safety Standard (FMVSS). In this document, NHTSA presents its various activities related to preventing drunk and impaired driving and discusses the current state of advanced impaired driving technology. NHTSA also asks many questions to gather the information necessary to develop a notice of proposed rulemaking on advanced drunk and impaired driving technology.
