NOTICE TO RELEVANT STAKEHOLDERS

Dear Sir/Ma'am:

This refers to the draft regulations distributed through the World Trade Organization – Technical Barriers to Trade (WTO-TBT) website (www.epingalert.org) from 01 to 07 June 2024.

Relative thereto, we respectfully invite stakeholders to comment on the notified draft technical regulations from Brazil, Türkiye, Albania and Ukraine:

Document Symbol	Notifying Member	Relevant Dates	Products Covered	Summary
G/TBT/N/B RA/1543	Brazil	Date of Distribution: 7 June 2024 Deadline for Comments: Not indicated	Products intended for animal feed	Regulates Law No. 6,198, of December 26, 1974, and Law No. 14,515, of December 29, 2022, to regulate the mandatory inspection and supervision of products intended for animal feed.
G/TBT/N/T UR/213	Türkiye	Date of Distribution: 7 June 2024 Deadline for Comments: 6 August 2024	Plant toxins in foodstuffs	This Communiqué has been prepared to establish sampling and analysis method criteria for the official control of plant toxins in food. It also establishes the performance criteria with which the method of analysis used for official control has to be complied. The Draft Communiqué has been prepared taking into account Commission Implementing Regulation (EU) 2023/2783 of 14 December 2023 laying down the methods of sampling and analysis for the control of the levels of plant toxins in food and repealing Regulation (EU) 2015/705.
G/TBT/N/A LB/98	Albania	Date of Distribution: 5 June 2024 Deadline for Comments: 7 August 2024	Planting and propagating plant material	This draft legislation “On some changes and amendments on the existing Law No.10 416, dated 7.4.2011 “For planting and propagating plant material”, as amended makes some changes in some of the terms previously used, as well as re-formulating some of its articles to better serve in the improvement of the structure, the procedure and the requirements for the registration of the planting material and the plant propagating material in the national register. It specifies the responsible structures to monitor the production, the testing and the trade of these materials, as well as regulating cases of emergency where a special authorization may be needed. Lastly,

BUREAU OF PHILIPPINE STANDARDS

Membership:

- International Organization for Standardization (ISO)
- International Electrotechnical Commission (IEC)
- World Trade Organization (WTO) Technical Barriers to Trade (TBT)
 - National Enquiry Point (NEP)
 - National Notification Authority (NNA)

				seeing as the production and the trade of these materials is done without the need of a licence, some criteria have been added for the entities that exercise this activity to follow.
G/TBT/N/U KR/298	Ukraine	Date of Distribution: 5 June 2024 Deadline for Comments: 4 August 2024	Preparations of a kind used in animal feeding	The draft Order proposes amendments to the Order of the Ministry of Agrarian Policy and Food of Ukraine No. 241 of 06 May 2019 "On Approval of Certain Legislative Acts on Feed Safety and Hygiene". These amendments aim to align certain provisions of Ukrainian legislation on feed safety and hygiene in line with EU legislation.
