

22 May 2024

NOTICE TO RELEVANT STAKEHOLDERS

Dear Sir/Ma'am:

This refers to the draft regulations distributed through the World Trade Organization – Technical Barriers to Trade (WTO-TBT) website (www.epingalert.org) from 11 to 17 May 2024.

Relative thereto, we respectfully invite stakeholders to comment on the notified draft technical regulations from Republic of Korea, China, Kingdom of Saudi Arabia and United States:

Document Symbol	Notifying Member	Relevant Dates	Products Covered	Summary
G/TBT/N/K/OR/1209	Republic of Korea	Date of Distribution: 17 May 2024 Deadline for Comments: Not indicated	Conductive charging equipment for electric vehicles	This regulation is to specify technical specifications of conductive charging equipment for electric vehicles.(for applying international standard of IEC 61851-21-2). This regulation includes revisions to notification on Designation and Management of Testing Institutions for Broadcasting and Communications Equipment annex1 which newly adds conductive charging equipment for electric vehicles.
G/TBT/N/K/OR/1210	Republic of Korea	Date of Distribution: 17 May 2024 Deadline for Comments: 16 July 2024	Parking heater	Establishing safety requirements for parking heater
G/TBT/N/C/HN/1616/A dd.1	China	Date of Distribution: 14 May 2024 Deadline for Comments: Not indicated	Electric bicycle chargers (including on-board chargers) - Addendum	Adding permanent identification of charger traceability code and corresponding test methods, and the prohibition of on-board forms.
G/TBT/N/S/AU/1334	Kingdom of Saudi Arabia	Date of Distribution: 14 May 2024 Deadline for Comments: 13 July 2024	Special-use vehicle equipment and accessories	This technical regulation applies to determine the basic requirements for Special-Use Vehicle Equipment and Accessories included in the scope of this regulation, and to determine the conformity assessment procedures that suppliers and operators must adhere to, in order to ensure the conformity of this product, and to preserve the health and safety of road users

BUREAU OF PHILIPPINE STANDARDS

Membership:

- International Organization for Standardization (ISO)
- International Electrotechnical Commission (IEC)
- World Trade Organization (WTO) Technical Barriers to Trade (TBT)
 - National Enquiry Point (NEP)
 - National Notification Authority (NNA)

G/TBT/N/US/2007/A dd.1	United States	Date of Distribution: 13 May 2024 Deadline for Comments: Not indicated	Automatic emergency braking systems for light vehicles - Addendum	This final rule adopts a new Federal Motor Vehicle Safety Standard to require automatic emergency braking (AEB), including pedestrian AEB (PAEB), systems on light vehicles. An AEB system uses various sensor technologies and sub-systems that work together to detect when the vehicle is in a crash imminent situation, to automatically apply the vehicle brakes if the driver has not done so, or to apply more braking force to supplement the driver's braking.
